Together with this letter is a map to our house. After you get off the train, take the road in front of the station. Follow it and you'll see a chicken farm. Don't make any turns. Keep going and you'll see a bridge. Cross the bridge and there will be a big tree on your left. Walk past the tree, take the first right turn, and then walk for five more minutes. You'll see several houses. My house is at the end of the road, next to the river.
